

The new Guernsey 34 by Arvor has the image of a 'lobster boat'. This impressive 11-metre beauty benefits from the latest spearhead technologies and the know-how of the renowned Arvor brand, a symbol of quality and comfort.

This exceptional boat is intended for demanding skippers who want to combine the power and performance of a top-of-the-range vessel with the convivial ambience of sea trips with family or friends. Perfectly equipped for sea fishing, the Guernsey 34 by Arvor also offers exceptional on-board comfort.

Superb lines, luxury equipment and meticulous finishing all make it a star with real class. You discover its qualities at sea as never before: handling, stability, safety, elegance, etc.

Whether it's fishing or cruising, in good weather or difficult conditions, competing for a trophy or just for sheer relaxation, you are sure to enjoy a unique experience with the Guernsey 34 by Arvor!

The Guernsey boats by Arvor are designed by naval architect Jacek Centkowski, under the management of Marine Power Europe.

The Marine Power Europe Inc. quality system has ISO 9001:2000 certification.

Arvor is part of the Brunswick group.

A new unique and relaxing experience at sea

*Guernsey 34*  
by ARIAN

High-quality exterior finish

The Guernsey 34 by Arvor is versatile and perfectly adapted to fishing as well as pleasure cruising. And she offers all the outstanding qualities of a regular Arvor boat: power, stability and cutting-edge navigation equipment.

Like all the models in the range, the Guernsey 34 is equipped with hydraulic steering for enhanced safety and comfort. The equipment for fishing and cruising testify to the detailed care taken in the design: more than adequate of rod holders and cockpit lockers, stainless steel keel protection, livewell with seawater circulation, bow thruster, electric anchor, and electric stern platform.

It all adds up to boundless enjoyment of your passion!

*Experience the real joys of sea fishing*

## Refined interior

With the Guernsey 34 by Arvor, inviting family and friends to take part in a cruise is a real pleasure. On board, everything has been designed to make your life easy and extend to your guests the warmest of welcomes, with uncompromising levels of comfort.

The interior fittings are luxurious and very comfortable. A fitted kitchen with double burners, oven and refrigerator, a separate bathroom with a shower and marine toilet, a CD/radio in the cockpit offer you every comfort for a pleasant cruise. And as for sun lovers, the bow of the boat is the ideal place to get a tan.

The Guernsey 34 by Arvor can take up to 10 people and contains 6 berths.

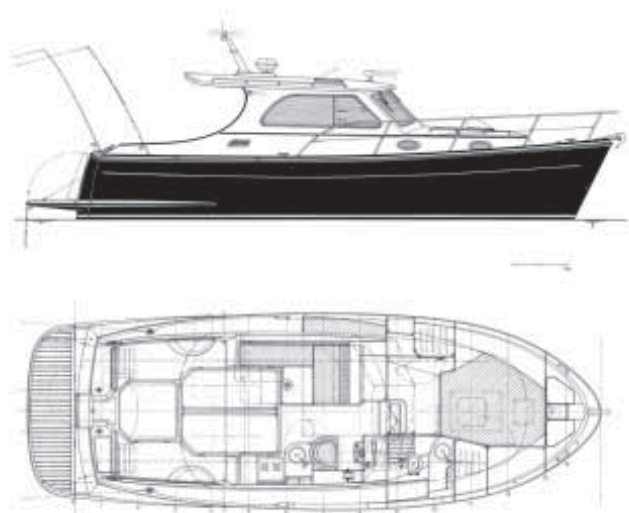

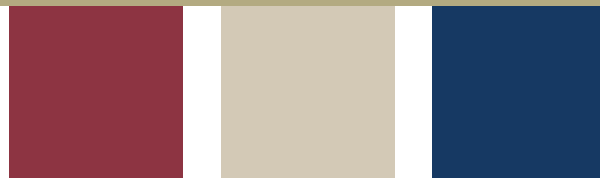

*Sea trips:  
For boundless pleasure*

## Colours & Specifications

*An exclusive choice  
of colours and options*

The equipment, comfort and finish of the Guernsey 34 by Arvor testify once more to Arvor's know-how and expertise, and guarantee you unforgettable sea trips. In the basic version, you already have the choice of three hull colours (navy blue, cream or burgundy).

Various optional extras are available if you want to upgrade the basic equipment to meet your special requirements as a seasoned seafarer.

With the Guernsey 34 by Arvor, you opt for quality, performance and style.
